

How to watch the IFFUSA@Home films on the MyMoviesLive platform

1. **Copy the code:** Select the entire code of letters and numbers provided in our email of weekly films.
2. **Click on the link** of the film provided in our email of weekly films. A browser window will open with a virtual movie theatre.
3. **Click on the light blue box** that says: "USE THE CODE" (Bottom-Middle of the film image). A pop-up window will open.

4. **Paste the code:** In the pop-up window, click in the "Codice" field, right-click and paste the code you copied in Step 1. Click on "Verifica". This will allow you to enter in a virtual auditorium.

All films on the platform are scheduled for specific times and days. Our IFFUSA@Home – Spring Edition films will all start streaming at 3:00 pm (EST and EDT starting on March 13) on Fridays, Saturdays, and Sundays.

We strongly suggest that you start accessing the virtual auditorium at 3:00 pm EDT/EST or later on throughout the availability timeframe window. As long as you start watching before the end of the availability window (usually, 3:00 am EDT/EST of the next day), you will be able to watch the entire film.

During the streaming, you can play/pause it, activate the subtitles (unless they are already embedded in the video), and enter full screen.

Enjoy the show and VIVA IL CINEMA ITALIANO!
